

## Department of Mathematics

Mrs. Brehmit Kaur

### Research Publications

#### Research Papers in National/International Journals:

S. No.	Authors Names	Title of Paper	Journal's Name &Place of Publication	Publication & ISSN	Vol./Page No/Year
1	Kaur, Brehmit and Sangwan, Vivek	An exponentially fitted numerical technique for singularly perturbed Burgers-Fisher equation	Int. J. Comput. Math, London SCI(Impact factor-1.09)	0020-7160	96(7)/1502-1513/2019
2	Kaur, Brehmit and Sangwan, Vivek	A Posteriori Error Estimates for Hughes Stabilized SUPG Technique and Adaptive Refinement for a Convection-Diffusion Problem	Adv. Math. Phys, UK SCI (Impact - 0.936)	1687-9120	Accepted
3	Kaur, Brehmit	Integer Programming Model for Vendor Selection in Supply Chain Management	Indian Management studies Journal, India	0974-4355	17/227-230/2013
4	Kaur, Brehmit	Inventory Management Models in Bicycle Industry	Indian Management studies Journal, India	0974-4355	18/221-227/2014
